

Seasonal Planning & Seed Calculations

What's are your priorities for your 2019 Potato Crop?

Use the **Variety Guide** located in the centerfold page to help you figure out which varieties will meet your needs. Each column in the Variety Guide addresses a different priority; what's most important to you?

Planting Calculations

*How many **pounds** of seed do you need?*

| | | Row Length | | |
|-------------------|--------------|------------|-----|------|
| | | 25' | 50' | 100' |
| Standard Potatoes | Seed Spacing | | | |
| | 8" | 5# | 10# | 20# |
| | 10" | 4# | 8# | 15# |
| Fingerlings | 12" | 3# | 6# | 12# |
| | 16" | 2.5# | 5# | 10# |
| | 18" | 2# | 4# | 8# |

Assumptions: 1 Row to the Bed

Seed piece weight = **2 ounces**

Tater Tendancies: Closer spacing = smaller taters
Wider spacing = larger taters

NOTES: Crunch those numbers!
