This Product Verification Form is provided to describe the certified products and the organic standard, equivalence arrangement and/or export arrangement to which compliance has been verified. It is valid only with the corresponding organic certificate(s) and does not replace the organic certificate. QCS issues separate organic certificates for USDA National Organic Program (NOP) and European Union EC 889/2008 & 834/2007. Products marked under Compliance to US-Canada Equivalence are “Certified in compliance with the terms of the US-Canada Organic Equivalency Arrangement”
