Re: Current Certification Status

Further to recent request, we can hereby confirm that your organic operations are currently certified by Pro-Cert and are compliant with the COR (Canadian Organic Regime). We have received and reviewed the annual update to your production plan and your operation is undergoing an annual renewal of organic status.

At this time, certification of your operation is considered in good standing. Further, certification of your operation has neither been suspended nor cancelled. We anticipate completion of your annual renewal in short order.

Should you or any of your clients have any questions or concerns, please contact our office at your convenience.

Sincerely,
Pro-Cert Organic Systems Ltd.
